

seems like a cut-and-dry issue; but a cursory glance at the actions of our overreaching Federal Government clearly show that these laws are ripe for Federal abuse of your rights and mine.

Make no mistake, red flag laws will be used to flag those who vote for freedom, strip them of their right to self-defense, and empower faceless bureaucrats to dole out or to not dole out the right of self-defense to a downtrodden and oppressed class of citizens.

They will be weaponized to demonize and destroy political dissidents in this country. If you vote against the regime, you may be stripped of your rights. If you refuse the medical decisions pushed by POTUS and the regime, you may be stripped of your rights.

If you raise your children to adhere to Proverbs and push-ups instead of POTUS, you may be stripped of your rights.

To the American people, I say this: It is not a right if you have to ask permission to exercise it. We are very near this government becoming the exact reason our founders designed the Constitution to hold back a tyrannical government.

The Second Amendment was not designed to hunt deer, but to defend against liberty and invasion.

Again, red flag laws sound benign. We all want to keep weapons out of the hands of dangerous people, but remember that this government, the CDC, has labeled you a national security problem for protecting your health.

The FBI, last September, has called your mothers and wives domestic terrorists for protecting your children. Now, just days ago, a committee here on Capitol Hill has labeled half the country as coup sympathetic.

The same faceless fact-checkers who censor your speech will seize your sovereignty. And trust me, they won't come to your front door with a clipboard and a smile.

These liberal lackeys will show up before dawn and invade your home, seize your property, and smash any concept of individual liberty you may possess. Remember the actions the ruling elite took against those at Waco and Ruby Ridge.

We must wake up. We cannot trust this government. We must not give them more legal avenues to turn their national security apparatus against those who they swore to defend.

Mr. BURCHETT. Thank you, Mr. CAWTHORN.

Madam Speaker, it is a pleasure being here with you all. I know my wife is watching this and probably wants to get to the Mexican restaurant right now, and so I will cut this really short, Madam Speaker.

Thank you for your indulgence tonight. It has been a real pleasure.

I say thank you to the leadership for whoever canceled out at the last minute and allowed me to be up here and do this. It has been very enjoyable.

It is the first in my life and maybe a last. I thank all the young folks back there who work very hard to make our lives a lot easier.

Madam Speaker, I would go on a tirade right now, but I believe I will just let it go. You probably want to go home after a long day as well, so you can just say you owe me one.

Madam Speaker, I yield back the balance of my time.
